

Dr. B.S. Dwivedi did his M.Sc. and Ph.D. in Soil Science and Agricultural Chemistry from CS Azad University of Agriculture & Technology, Kanpur. After joining Agricultural Research Service of the ICAR in 1986, he served at ICAR Research Complex for NEH Region, Shillong (now at Umiam), ICAR-Indian Institute of Farming Systems Research (erstwhile PSCSR), Modipuram, and ICAR-Indian Agricultural Research Institute, New Delhi in different capacities including Head, Division of Soil Science and Agricultural Chemistry, ICAR-IARI during 2011-2020. In his professional career of over 36 years, Dr. Dwivedi made significant research contributions mainly in the areas of assessment, restoration and management of soil health under different agro-ecologies. His areas of interest are: site-specific nutrient management, soil resource characterization and land use planning, and conservation agriculture. He published over 150 research papers in reputed journals, besides a number of review papers, bulletins, books and book chapters, and popular articles. Also, he was Chief Editor, Journal of the Indian Society of Soil Science during 2013-2020. As Faculty of PG School, ICAR-IARI for the period 2004-2020, Dr. Dwivedi taught and guided several Ph.D. and M.Sc. students in the discipline of Soil Science and Agricultural Chemistry. He worked closely with Government Departments, fertilizer industry, ICAR institutions, AUs, and international institutions.

Dr. Dwivedi possesses an illustrious academic record, with several awards and recognitions for his outstanding contributions. Important of them are: Rafi Ahmed Kidwai Award of ICAR, Hari Krishna Shastri Memorial Award of IARI, S.S. Ranade Lifetime Achievement Award, ISSS-Platinum Jubilee Commemoration Award, ISSS-Dr. J.S.P. Yadav Memorial Award, FAI-Golden Jubilee Award, IPNI-FAI Award, and TSI-FAI Award.

Dr. Dwivedi is Fellow of National Academy of Agricultural Sciences, National Academy of Biological Sciences, and Indian Society of Soil Science. .
