The ASRB plays a key role in recruitment of best quality scientists and other management personnel for the ICAR Headquarters and research institutes across the country. In addition, the Board aids and advises the Council in evolving and implementing policies related to induction of human resource and its development including the Career Advancement Schemes for ARS Scientists.

During this period, the Board had completed recruitment process for 15 RMP & non RMP middle level positions in the scientific cadre based on lateral entry.

As a part of time bound implementation of the revised Career Advancement Scheme (CAS) for ARS Scientists, 177 proposals in 51 disciplines for promotion from Senior Scientists to Principal Scientists were processed during the period. Out of 51 disciplines, except eight disciplines candidates got 100 percent promotion.

A combined examination for ARS (Prelims) 2016 and NET 2017(I) was conducted from 16-21 May, 2017 in online mode for 180 vacancies in 31 disciplines. A total of 6,987 candidates (22.45%) qualified in the NET 2017(I) the examination.

Result of Technical Assistant (T3) Exam conducted on 17 July, 2016 has been communicated to the concerned Institutes.

Two Limited Departmental Competitive

Examinations for the posts of Assistants and Upper Division Clerks were conducted on 7-8 February, 2017 and 21 February, 2017 respectively.

For filling up positions of LDCs at the ICAR institutes through direct recruitment is scheduled to be held in the last week of October, 2017. Other examinations for filling up positions of LDCs at the ICAR headquarters and Stenographer

Grade-III through direct recruitment are scheduled in the near future.

There is always scope for betterment and I look forward to have your feed-back for improving our efforts.
