The Agricultural Scientists' Recruitment Board present to the President, Indian Council of Agricultural Research, its Annual Report as required under rule 26(d) of Rules and Byelaws of the ICAR Society. The report covers the period from April 1, 2001 to March 31, 2002.

Foreword

This report covers the working of the Agricultural Scientists Recruitment Board (ASRB) during the year 2001-2002.

Since the efficiency of the National Agricultural Research System incorporating the ICAR Institutes and the State Agricultural Universities depends, to a great extent in the quality of the manpower selected, it has been the endeavour of the Board to take meticulous care to ensure selection of scientists of high calibre for the ARS through a transparent, fair and objective selection process. The Board have consistently maintained a high standard of objectivity in the National Eligibility test for appointment of Assistant Professors/Lecturers in the State Agricultural Universities, and selection for Senior Research Fellows of the Council. The system, procedures and methods for recruitment/examinations are being constantly reviewed for tapping the best talents available.

During the year under report, the Board made special efforts to reduce the time taken in various selection procedures. As a result a large number of cases have been finally disposed of within shorter periods. During the period Board has made tremendous progress by clearing all the backlogs and by clearing the assessments of about 1,800 Senior Scientists to the grade of Principal Scientists, within a very short span of time. But the Board have been operating under certain constraints which have been separately indicated in Chapter VIII. The Board suggest that the Council give attention to these aspects which will further improve performance of the system as a whole.

I acknowledge my sincere thanks to President ICAR Society, Hon'ble Agriculture Minister Shri Ajit Singh, Minister of State Shri Hukum Dev Narayan Yadav, DG (ICAR) and Secretary (DARE). Publishing of this report is made possible by the help of Shri A. Chakravarty, Director (DIPA), and Shri V.K. Bharti, Chief Production Officer. The present form of the Annual Report is the result of the hard work of Shri Punit Bhasin, Technical Officer (Production). Cover design is prepared by Shri Dasari Bhoomaiah of CIFE, Mumbai.

Recruitment by interview aided by practical test or written test

3.3 Tests are resorted to in cases where the proficiency of candidates can be ascertained more purposefully or where this can be advantageously used as a screening method for/in aid of interview. During the year no such test was held for any post.

Shortage of suitable candidates in certain fields

3.4 The Board were unable to find suitable candidates for appointment to 60 posts (Appendix VI). For 104 posts no

Recruitment cancelled or withdrawn

3.5 Cases continued to occur where the Council sent proposals to withdraw requisition for recruitment even after they had been notified by the Board. During the year, recruitment action for 06 posts was terminated after advertisement but before interview, on request of the Council (Appendix VIII).

Change in qualifications after notification of the post by the Board

3.6 Cases continued to occur where Council sent proposals to change qualifications after the post was duly notified by the Board on the basis of qualifications indicated in the requisition. During the year recruitment action for 2 posts had to be suspended after advertisement due to proposals for change in qualifications (Appendix IX).

Recommendations

3.7 The recommendations of the Board for 11 posts (Director- 01, Principal Scientist- 02 and Senior Scientist- 08) have not been accepted by the President, ICAR (Appendix XIII).

Reforms

3.8 With a view to sharp focus during

interview and to gauge the candidates in their areas of strength, the concept of asking work plan for next 5 years has been further strengthened and revised, and the candidate is asked to submit:

(a) A brief note (not more than one page) reviewing the work done by the candidate during the last 10 years, highlighting the achievements and accomplishments during the period including technology developed, project completed, contribution to physical and infrastructural development, interdisciplinary programme formulation and participation in research activities, mobilisation of external funding for projects etc.

(b) A work plan (in not more than three pages) on how the candidate proposes to organize the activities of the post for which he/she is an applicant. The information provided may include new research projects/thrust areas of work that he/she

proposes to introduce, physical and infrastructural facilities proposed to be developed, linkages with other research units and development departments proposed, as well as the expected outcome from these changes. The plan should be practical and realistic in nature and should be achievable within a period of 5 years and feasible within the available resources of the institutes. In preparing these plan, the past and present achievements, as well as technology development may be critically reviewed and the critical gaps identified. The annual report, department as well as project reports may be consulted for developing this plan.

(c) To bring total objectivity and transparency in the selection process, a score card system has been developed by appointing a committee of experts and sent for approval of the competent authority. □

7. Use of हिन्दी

7.1 Adequate arrangements were made to promote progressive use of Hindi in the office of the Board. In order to ensure compliance of Official Language Policy of the Central Government/ICAR and to fulfil the targets fixed in the annual official language programme, a Hindi Translator is exclusively attending to the related work.

7.2 Majority of Officers and staff working in the Board have acquired working knowledge of Hindi.

7.3 Representative of the Board participates in the quarterly meetings of the Official Language Implementation Committee of the ICAR headquarters where the progress made in the use of Hindi in the official work of the Board is reviewed.

7.4 Hindi version of the examination rules, notice, syllabi, instruction to candidates, admission certificate, test booklets, answer sheets, applications form, attendance sheets and attendance lists, etc. were printed both in English and Hindi simultaneously.

7.5 Hindi version of all the advertisements issued by the Board were prepared and published both in Hindi and English in the leading newspapers of the country including 'Rozgar Samachar'.

7.6 Hindi version of this annual report of the Board is also being prepared for publishing.

8. Constraints and Suggestions

Shortage of staff

8.1 The Board are constrained to point out that shortage of staff at all levels (with reference to sanctioned strength) which has hampered their efforts. It was desired by the President, ICAR that ASRB should be strengthened. The Board would, therefore, like to emphasize that the vacant posts in the Board need be filled up by the Council on priority basis. The proposal of the Board regarding strengthening during the VIIth Plan period was duly sanctioned by the Expenditure Finance Committee. Further action for creation of posts is still pending with the Council in spite of repeated efforts by the Board. Similarly the post of Technical Officer (Hindi) is vacant since 31.12.97. In the context of shortage of staff the ASRB Review Committee has also recommended strengthening of the staff of the Board vide para 7.5 and 7.6 of the report.

Withdrawal of requisitions or change in qualifications after notifications

8.2 Cases continued to occur where the Council sent proposal to withdraw requisition for recruitment or for change in qualifications even after the vacancy had been notified by the Board as per details given in para 3.5 and 3.6 and Appendix VIII and IX. The Board feel that the cases are not perhaps receiving adequate attention of the Council at the stage of drafting of essential and desirable qualifications for incorporation in the requisitions. This results in vague and unfocussed mention of qualification/desirabilities in the requisitions.

Consultation in service rules

8.3 While the Board have taken steps to reduce the response time on references received from the Council in relation to recruitment rules, etc. but it has been noted that the relevant provision of rules and byelaws providing for prior consultation with the Board is not being consistently observed by the Council. ASRB Review Committee in its report vide para 4.22.5 has recommended total adherence to provision of byelaw 24. This has been approved by the President of the ICAR.

Consultation in disciplinary matters

8.4 Likewise the provision of rule 26(C) which stipulates consultation with the Board in disciplinary matters relating to personnel recruited/appointed either by the Council itself or in consultation with the Board was not observed. No disciplinary case was received for advice. The Board suggest the Council to adhere to the provision of rules and byelaws. The ASRB Review Committee in its report vide para 6.6.1, 6.7.2 and 6.7.3 has recommended total adherence to provision of rule 26(C). This has been approved by the President of the ICAR.

Periodicity of examinations and suggestions

8.5 As per Rule 26(a) of Rules and Byelaws of ICAR Society, the Board are required to make recruitment to ARS and such posts and services as may be specified by the President from time to time. The examinations for award of Senior Research

Fellowship of the Council and National Eligibility Test for appointment as Assistant Professor/Lecturer in State Agricultural Universities were combined with ARS examinations. The examination of ARS/NET/SRF examination was conducted every year in October or December up to the year 1999 followed by viva-voce in May-July of the following year. Now, there is no fixed periodicity of this examination (annual, once in two years, once in three years etc.). The Board suggested the Council to pay attention to this aspect.

Human resource development

8.6 It has been the endeavour of the Board to keep track of the performance of Scientists and other Officers recruited by it with a view to using the feedback as an input for refining the selection process with the ultimate aim of improving the Human Resources content of the National Agricultural Research System. The GVK Rao Committee which has reviewed the functioning of the Council has inter alia recommended that the Board should not merely remain as a recruitment machinery but should assume the responsibility for the overall human resources development in the ICAR. For this purpose the Committee felt that the Board will be required to maintain contact with the career of the Scientist selected for the ICAR system and this feedback would enable the Board to make refinement in the operation of the Agricultural Research Service and the personnel policies governing it. The report further recommended that a Research and Analysis Wing should be set up in the Board so that research on human capital development in agricultural sciences could be done to help evolve policies for personnel management in the ICAR System. Immediately after acceptance of the recommendations of the Governing Body of the Council and the President, ICAR, a proposal was forwarded by the Board for

establishment of a Research and Analysis Wing. Subsequently, it was also incorporated in the Board's proposal for strengthening during the VIII Five Year Plan. Though the proposal was sanctioned in principle but further action regarding creation of relevant positions is pending with the Council. As a result the computer hardware which was simultaneously sanctioned in VIII Plan and procured could not be put to effective use and operation. This has handicapped the work of the Board during the year.

Training of staff recruited by the Board

8.7 Time and again the Board have been emphasising the need for proper training of candidates selected through open examinations. While the training for ARS probationers has been institutionalised at the NAARM, no such arrangement has been made in the case of officers of the combined cadres of Administrative Officers and Finance & Accounts Officers, Section Officers, Assistants, etc. While forwarding recommendations in respect of these examinations the need for training was underlined but the Board have not heard from the Council about action taken in this regard. It is understood that in the case of Administrative Officers and Finance & Accounts Officers, the officers belonging to 1986 batch were given three weeks training in the year 1992 and the officers of the 1994 batch were given three weeks training in the year 1997. The Board feel that training for such a short duration and that too after 3 to 5 years after joining by which time a fresh recruit has already spent considerable time in the system serves no purpose as far as induction training is concerned. In the case of Section Officers/Assistants practically no institutionalised arrangement has been made. The Board suggest that the Council should attach due importance to training of officers and staff. This was reported in the Annual Report for the year 1996-97 but there is no response from the Council. □

प्रस्तावना एवं कार्यकलाप

कृषि वैज्ञानिक नियुक्ति मंडल की स्थापना एक स्वतंत्र नियुक्ति संस्थान के रूप में भा.कृ.अ.प. सोसायटी के अध्यक्ष द्वारा की गई थी। मंडल का दायित्व विभिन्न स्तर के वैज्ञानिकों की भर्ती प्रतियोगी परीक्षाओं और सीधी नियुक्ति द्वारा करना है। मंडल के जरिये ही तकनीकी सेवा से संबंधित उच्च स्तर के पदों, प्रशासनिक पदों तथा लेखा विभाग के विभिन्न पदों आदि की नियुक्ति की जाती है। साथ ही मंडल राष्ट्रीय पात्रता परीक्षा का भी आयोजन करता है। जिसके आधार पर राज्य कृषि विश्वविद्यालयों में सहायक प्राध्यापक/व्याख्याता पदों पर आरंभिक नियुक्तियों की जाती है। परिषद् की वरिष्ठ अनुसंधान वृत्ति प्रदान करने हेतु परीक्षा का आयोजन मंडल द्वारा ही किया जाता है।

संगठन एवं कर्मचारीगण

मंडल में एक अध्यक्ष, दो सदस्य, सचिव, परीक्षा नियंत्रक, तथा अवर सचिव हैं तथा कार्यालय में कर्मचारियों और अधिकारियों की संख्या 31 मार्च, 2002 को 81 थी जिसमें से 17 समूह 'ए' और 'ब' में थे।

व्यय

वर्ष के दौरान मंडल ने 365.48 लाख रू. विभिन्न मदों पर खर्च किए।

परीक्षा द्वारा भर्ती

लिखित परीक्षा द्वारा चयन: कृषि अनुसंधान सेवा में भर्ती हेतु 18796 अभ्यर्थियों ने आवेदन किया जिनमें से 11927 अभ्यर्थी उपस्थित रहें। उत्तर पूर्वी पर्वतीय क्षेत्र एवं अंडमान व निकोबार द्वीप समूह से कृषि अनुसंधान सेवा में भर्ती हेतु 2856 अभ्यर्थियों ने आवेदन किया तथा 1105 अभ्यर्थी उपस्थित रहे।

आशुलिपिक ग्रेड-II: भा.कृ.अ.प. मुख्यालय में आशुलिपिक ग्रेड II के लिए सीमित विभागीय परीक्षा सम्पन्न हुई जिसमें 41 अभ्यर्थी में से 35 अभ्यर्थी शामिल हुई। तथा बौद्धिक परीक्षा हेतु 30 अभ्यर्थियों को बुलाया गया।

उपर्युक्त परीक्षाओं का बचा हुआ कार्य 2002-2003 के दौरान किया जायेगा।

साक्षात्कार द्वारा चयन

मंडल ने इस वर्ष 305 पदों के लिए माँग पत्र प्राप्त किए जिसमें 3944 आवेदन प्राप्त हुए 481 पदों के लिए भर्ती प्रक्रिया सम्पन्न हुई तथा 2423 अभ्यर्थियों को साक्षात्कार हेतु बुलाया

गया तथा 6 पदों को भरने का माँग पत्र परिषद् ने वापस ले लिया।

वर्ष 2001-2002 के दौरान निम्न श्रेणी लिपिक की भर्ती नियमावली में संशोधन हेतु एक प्रस्ताव प्राप्त हुआ और लिए गए निर्णय को भा.कृ.अ.प. को भेज दिया गया।

परीक्षाओं में अनुसूचित जाति एवं अनुसूचित जनजाति तथा अन्य पिछड़ी जाति के परीक्षार्थियों का प्रदर्शन

अनुसूचित जाति और अनुसूचित जनजाति के परीक्षार्थियों की नियुक्ति की सिफारिश निर्धारित मापदंडों में छूट देने के आधार पर की गई अनुसूचित जाति के परीक्षार्थियों के लिए ए.आर.एस./नेट/एस.आर.एफ. 2001 व उत्तर पूर्वी पर्वतीय क्षेत्रों की परीक्षा हेतु आरक्षित रिक्तियाँ क्रमशः 51 व 10 थी जिनको 2002-2003 तक अग्रिम कार्यवाही हेतु रखा गया।

अनुसूचित जनजाति व अन्य पिछड़ी जाति के परीक्षार्थियों के लिए ए.आर.एस./नेट/एस.आर.एफ. 2001 व उत्तर पूर्वी पर्वतीय क्षेत्रों की परीक्षा हेतु आरक्षित रिक्तियाँ क्रमशः 31 व 6 तथा 22 व 14 थी। इन सभी को 2002-2003 तक अग्रिम कार्यवाही हेतु रखा गया।

मूल्यांकन

मूल्यांकन की समीक्षा और कृषि अनुसंधान सेवा में प्रवेश वर्ष के दौरान प्रवेश के दो मामलों पर विचार किया गया और भा.कृ.अ.प. से संस्तुति भेजी गई। वर्ष के दौरान तीन मूल्यांकन प्रस्तावों पर विचार किया गया।

बाधाएँ और सुझाव

कर्मचारियों की कमी: मंडल ने सभी स्तरों पर कर्मचारियों की कमी से उत्पन्न बाधाओं को व्यक्त किया है। इसलिए मंडल चाहता है कि रिक्त पड़े पदों को महत्ता के आधार पर परिषद् द्वारा भरा जाए। सातवीं योजना अवधि में मंडल को मजबूत बनाने की सिफारिश व्यय-वित्त समिति ने मंजूरी दे दी है।

अनुशासनात्मक मामलों में परामर्श

नियम 26 (सी) जिसके तहत परिषद् द्वारा या मंडल की सलाह लेकर व्यक्तिगत भर्ती या नियुक्ति से सम्बन्धित अनुशासनात्मक मामलों में मंडल से परामर्श आवश्यक है, का पालन नहीं किया गया। कोई भी अनुशासनात्मक मामला राय के लिए प्राप्त नहीं हुआ।
