

F.N.10(01)/2025-Rectt.I

Dated 22.10.2025

Clarification on Re-notification of Advt. No.01/2025

With reference to the Re-notification of ASRB Advt. No.01/2025 dated 16.09.2025, a few candidates have sought clarification on the issue of NOC/submission of fresh application. The detailed query and clarification thereon are given below: -

Query	Clarification
Whether the certificates of claims regarding achievements/NOC/APAR-gist etc. uploaded earlier in the online applications in response to original Advt. No.01/2025 with 10.03.2025 as the last date for submission of online application are valid for the online applications live from 16.10.2025 as part of Re-notification of Advt. No.01/2025 <u>OR</u> Whether fresh NOC and certificate have to be obtained from the Competent Authority in respect of each claim/achievement being mentioned by the applicant in his/her application(s) in response to Re-notification of Advt. No.01/2025.	(1) The candidates, <u>who had applied earlier for any post(s) against Advt. No.01/2025 (with 10.03.2025 as the last date for submission of online application)</u>, are not required to get their claims/achievements certified by the Competent Authority afresh. In other words, such candidates can attach with their fresh application(s) the certificate of claims/ achievements issued last time by the Competent Authority for their application(s) in response to Advt. No.01/2025. However, they shall be required to seek NOC of the Competent Authority afresh and thereafter submit the fresh application online. (2) The candidates, <u>who had not applied earlier in response to Advt. No.01/2025, but are applying now in response to Re-notification of Advt. No.01/2025</u>, need to follow the instructions given vide point no.3 of Annexure-III of Re-notification of Advt. No.01/2025, which reads as under: <i>“Fresh certificates may be obtained from the Competent Authority in respect of each claim as required for filling up online applications advertised vide Advt. No. 01/2025.”</i>
