

ANNUAL REPORT
(1995 - 96)

AGRICULTURAL SCIENTISTS RECRUITMENT BOARD
NEW DELHI

ANNUAL REPORT OF AGRICULTURAL SCIENTISTS RECRUITMENT
BOARD FOR THE PERIOD 1ST APRIL, 1995 TO 31ST MARCH, 1996

....

1. PREAMBLE AND FUNCTIONS

1.1 The ASRB is charged with the responsibility of the recruitment of scientists at various levels through competitive examinations/direct recruitment by selection etc. The Board was established on November 1, 1973 as an independent recruitment agency accountable to the President of the ICAR Society. As per the Cabinet decision, the Board was assigned the following responsibilities:-

- i) recruitment to posts in the Agricultural Research Services of ICAR and to such other posts and service as may be specified by the President, ICAR from time to time.
- ii) rendering of such other assistance to the Council in personnel matters, including promotion, as may be required by the President, ICAR; and
- iii) advising the Council on disciplinary matters relating to personnel recruited/appointed either by the Council or in consultation with the Board.

1.2 Subsequently, when the Agricultural Research Service as an All India Service was created, the following additional responsibilities were also assigned to it:-

- i) recruitment of grade S-1 (Rs. 700-1300) since revised to Rs. 2200-4000 of the ARS through All India Competitive Examination;
- ii) induction of existing scientists of ICAR to the ARS under initial constitution of ARS;
- iii) five-yearly assessment for Merit Promotion and advance increments to the scientists of ARS. The assessment of scientists who are not recommended for Merit Promotion to the next higher grade on

account of assessment was to be done every year;
and

iv) all cases of lateral entry to ARS as referred to the Board by the ICAR.

1.3 In addition to this, ASRB has also been entrusted with the recruitment of Technical service personnel above a certain level as well as recruitment to administrative and accounts units such as Section Officers, Administrative Officers & Accounts Officers etc. which are required to be filled up by direct recruitment or through limited competitive examinations.

1.4 Even though the Board initially comprised of only one Eminent Agricultural Scientist as the Chairman, the need for expansion of the Board was keenly felt not only to cope with the enormous work load that the board has to handle, but also to have a balance of the disciplines in the Board composition. Based on a detailed note on the expanded functions of the Board and its specialized nature of work, the cabinet approved in 1986, the restructuring of the ASRB with three members (including a Chairman) and raising their status to the Chairman and members of the U.P.S.C.

1.5 The officers of ASRB during the period under report are listed in Appendix-I.

2. AGRICULTURAL RESEARCH SERVICE/NATIONAL ELIGIBILITY TEST/SENIOR RESEARCH FELLOWSHIP EXAMINATION, 1994

2.1 The result of the ARS/NET/SRF Examination conducted by the Board from 14th to 16th October, 1994 at 24 Centres to fill up 408 vacancies (viz 207 General, 61 S.C., 30 S.T. and 110 OBC) for Grade-I of the ARS in 52 professional subjects in Plants/Animal/Physical Sciences, Economics, Statistics, Extension, Technology and Engineering was declared by the Board on 30th June, 1995.

2.2 In all 8756 (7917 General and O.B.C., 753 S.C. and 86 S.T.) candidates applied under various professional subjects out of which 4266 (3953 General & O.B.C., 278 S.C. and 35 S.T.) candidates actually appeared and 1270 (1161 General & O.B.C., 92 S.C. and 17 S.T.) candidates qualified in the written examination (Professional Subjects) for ARS and were called for viva-voce. The viva-voce started on 2nd March, 1995 and continued upto 23rd June, 1995.

2.3 On the basis of the written examination and viva-voce, a total of 310 candidates (163 General, 47 S.C., 12 S.T. and 88 O.B.C.) were finally selected. The list of successful candidates for each discipline in order of merit, was sent to the Council for making appointment to the Agricultural Research Service. A detailed statement showing the number of candidates applied, appeared in the examination qualified in the written examination, appeared in the interview and selected for ARS in each discipline is appended in Appendix-II.

2.4 On the basis of written examination, 1129 (1023 General and O.B.C., 93 S.C. and 13 S.T.) candidates qualified in the National Eligibility Test (NET). The lists of successful candidates were forwarded to the various State Agricultural Universities (SAUs) for their record to consider them for appointment as Lecturers or Assistant Professors, as and when opportunity arises, after assessing their suitability through interview or such other screening test as may be devised by the SAU concerned. Eligibility Certificates were issued to all such candidates to enable them to apply against the vacancies to be notified by the SAUs. A detailed statement showing the number of candidates applied, appeared and qualified for NET in each discipline, is appended in Appendix-III.

2.5 The salient feature of the examination is that Senior Research Fellowship was combined with ARS & NET for the first time. In all 537 (494 General, 40 S.C. and 3 S.T.) candidates qualified in the written part of the examination for SRF. The discipline-wise list of qualified candidates was prepared and sent to DDG(Edn.) for further necessary action.

3. **AGRICULTURAL RESEARCH SERVICE/NATIONAL ELIGIBILITY TEST/SENIOR RESEARCH FELLOWSHIP EXAMINATION, 1995**

3.1 The Agricultural Scientists Recruitment Board(ASRB) conducted a combined competitive examination for filling up vacancies of scientists of Agricultural Research Service(ARS) in the pay scale of Rs.2200-4000 in the ICAR Institutes, combined with National Eligibility Test(NET) for recruitment of Lecturers and Assistant Professors by the State Agricultural Universities(SAUs) and for award of Senior Research Fellowship of ICAR from 5th to 7th October, 1995 at 24 Centres in India viz.

1. Anand
2. Bangalore
3. Bombay
4. Calcutta
5. Coimbatore
6. Cuttack
7. Dehradun
8. Delhi
9. Hissar
10. Hyderabad
11. Indore
12. Jabalpur
13. Karnal
14. Lucknow
15. Ludhiana
16. Madras
17. Nagpur
18. Palampur
19. Port Blair
20. Ranchi
21. Shillong
22. Trivandrum
23. Udaipur
24. Varansi

3.2 The result of the National Eligibility Test on the basis of written examination has already been declared. 1513 candidates have qualified in the National Eligibility Test. The list of successful candidates has been sent to various Agricultural Universities and the result has also been published in the Employment News. The details regarding number of applicants, the number of candidates appeared in written examination and the number of

candidates qualified in various categories are as under:

	<u>General</u>	<u>S.C.</u>	<u>S.T.</u>	<u>O.B.C.</u>	<u>Total</u>
No.of candidates applied	6353	928	117	1873	9271
No.of candidates appeared	3730	440	53	1116	5339
No.of candidates qualified	1059	141	18	295	1513

4. DIRECT RECRUITMENT

4.1 Advertisements: The ASRB issued the following advertisements during the period under report.

<u>S,NO.</u>	<u>Advt.No.</u>	<u>Date of Publication</u>	<u>No.of posts</u>
1.	1/95	8.4.95	40
2.	2/95	24.6.95	47
3.	3/95	12.8.96	56
4.	1/96	27.1.96	69
Total:			212

These advertisements included 204 scientific posts, 7 technical posts, and 1 auxiliary post as per details given below:

i)	Deputy Director General & Directors of National Institutes(Rs.7600/-fixed)	6
ii)	Asstt.Director Generals,Directors of Institutes,Project Directors and Joint Directors of National Institutes(Rs.4500-7300)	50
iii)	Project Coordinators and Zonal Coordinators (Rs.4500-7300)	18
iv)	Heads of Divisions/Regional Stations (Rs.4500-7300)	115

v)	Principal Scientists	13
vi)	Senior Scientists	2
vii)	Technical	7
viii)	Auxiliary	1
Total:		212

4.2 Interviews and Selections:

The Board conducted interviews for 128 posts during the period under report and forwarded the recommendations to the ICAR. These included the following:

(a)	SCIENTIFIC	PAY SCALE	NO.OF POSTS
i)	DDGs/Directors of National Institutes	Rs.7600/- (fixed)	6
ii)	Directors/Joint Directors of National Institutes/ADGs/Project Directors	Rs.4500-7300	38
iii)	Zonal Coordinators/Project Coordinators/Joint Directors of Institutes other than National Institutes.	-do-	9
iv)	Heads of Division	-do-	57
v)	Principal Scientists	-do-	3
vi)	Senior Scientists	Rs.3700-5700	9
 (b) TECHNICAL			
i)	T-6	Rs.2200-4000	2
ii)	T-7	Rs.3000-4500	1
 (c) AUXILIARY			
		Rs.3000-4500	2
Total:			128

A detailed statement giving the designation and location of the posts, number of candidates who applied, called for interview(s), appeared before interview Boards and selected for the post(s), is appended as Appendix IV.

A summary of this statement is presented below:

i) No.of posts for which interviews were held during the period.	128
ii) Total number of candidates applied	2317
iii) No.of candidates called for interview after screening	1442
iv) No.of candidates actually appeared for interview	1053
v) No.of posts reserved for SC candidates	--
vi) No.of candidates selected from SC category	--
vii) No.of posts reserved for S.T. candidates	--
viii) No.of S.T. candidates selected	--

In addition, there were nine posts where no candidate was found eligible at the screening stage itself. One post has been withdrawn by the ICAR. The detailed position is given in Appendix-V.

5. REVIEW AND ASSESSMENTS

5.1 One case was reviewed during the period. A statement showing the review of assessment cases handled during the period is given in Appendix-VI

5.2 A total of 67 cases were assessed during the period. The category-wise details are presented below:

<u>Category</u>	<u>No.of candidates assessed</u>
R.M.P.	1
S-2	50
S-1	10
S	6
	<hr/>
Total:	67

A statement showing the details of these cases is given in Appendix-VII.

6. INDUCTION INTO ARS

Two cases of induction were considered during the period under report and recommendations sent to the ICAR. Both cases related to Research Management positions. A statement showing the details of these cases is given in Appendix-VIII.

7. EXAMINATIONS FOR ADMINISTRATIVE POSTS

7.1 An All India Combined Competitive Examination for recruitment to 14 posts of Section Officers and 15 posts of Assistants at ICAR Headquarters in the pay scale of Rs.2000-3500 and Rs.1400-2600 respectively, was conducted by the Board from 27th to 29th December, 1995 at six centres viz. Bangalore, Bombay, Calcutta, Delhi, Hyderabad and Lucknow.

7.2 In all 9879 candidates applied for the examination out of which 3287 actually appeared. The Board is in the process of finalising the result of the examination.

7.3 A Limited Departmental Competitive Examination for recruitment of P.As (Stenographer grade II) at the ICAR Headquarters was conducted by the Board on 24th and 25th July, 1995. In all 32 candidates applied and 27 actually appeared in the examination.

8. REVISION OF SYLLABUS FOR ARS/NET/SRF EXAMINATIONS

As reported in the Annual Report of last year, a massive effort was made by the ASRB to revise and update the syllabus of the various subjects/disciplines included in the ARS/NET Examinations. This exercise had ensured that not only the syllabus is more modern, focussed and precise, but also assists the candidates in preparing for the examination, as they are clear of the expectations.

The ASRB has got published a booklet through Publication Division, ICAR containing the syllabi of all the disciplines, discipline-wise qualification for ARS/NET/SRF. This will be circulated to the SAUs and Deemed Universities and Institutes of the ICAR for placing the same in their libraries so that the students could be taught and prepared accordingly for the competitive examination.

9. RESEARCH AND ANALYSIS WING

Since one of the activities of the ASRB is to continuously monitor the performance of the Scientists related to productivity in their area of specialization, it has been decided to set up a Research and Analysis Cell which will maintain a Personnel data base of all the Scientists, periodically update them and study their performance. Further based on analysis of the young Scientists entering the ARS, it will be able to draw conclusion on the quality of training provided by specific institutions, which will ultimately help to improve the training and curriculum of the Universities. The Cell will also be helpful in planning Human Resources Development Program of the National Agricultural Research and Education System and encompassing the State Agricultural Universities and ICAR. The proposal is likely to be materialised during VIII Plan, when the required posts are sanctioned and filled up.

**10. ASSESSMENT COMMITTEES FOR TECHNICAL PERSONNEL UNDER
RULE 6.6 AND RULE 6.7 OF THE ICAR HANDBOOK OF
TECHNICAL SERVICE RULES**

10.1 Under Rules 6.6 of the ICAR Handbook of Technical Service for categories I and II for the ICAR Institutes/Headquarters, the Chairman, ASRB nominated 302 Experts to act as Chairman on the Assessment Committees for Merit Promotions/grant of advance increments for the technical personnel.

10.2 Similarly, under Rule 6.7 of the ICAR Handbook of Technical Service for Category III, Chairman, ASRB nominated 160 Experts to act as Chairman and 259 Experts to act as Members on the Assessment Committees for Merit Promotion/grant of advance increments for the technical personnel. Institute-wise break up of these nominations is given in Appendix-IX.

11. CAREER ADVANCEMENT OF ARS SCIENTISTS

11.1 As a follow up action on the adoption of UGC pay package for the career advancement of ARS scientists, the Chairman, ASRB nominated 193 Experts to act as Chairman on the Departmental Promotion Committees of the ICAR Institutes/Headquarters for assessing the cases of scientists for promotion to the next higher grade.

12. SPECIAL ACCOMPLISHMENTS

The Board keeps a constant watch over its Functions/Systems/Methods of selection with a view to improve them further.

12.1 Data Base of Experts

The Board conducts a large number of interviews for the selection of ARS Scientists in various disciplines,

Interviews are also held for the recruitment of Research Management Positions and other senior scientific positions on the basis of the requisitions received from the ICAR Headquarters as well as ICAR Institutes, Project Directorates and National Research Centres of the Council etc. For this purpose, the services of a large number of eminent scientists belonging to various disciplines is solicited. In order to cope up with this tremendous work, the Board has compiled a data base of experts with their major-micro specializations and the fields of their pursuit in all the disciplines of Agricultural Sciences viz., Plant Sciences, Animal Sciences, Physical Sciences, Social Sciences, Engineering and Technology etc.

During the period under report, the Board utilized the services of 661 scientists as Experts in their various selections. The number of experts called for the various direct recruitment/ARS selections/assessment, is given below:

1. Direct recruitment	445
2. ARS Selections	146
3. Assessments	70
Total:	<hr/> 661

12.2 Physical facilities developed

Efforts are being continuously made to improve the working conditions for the staff of the ASRB. It is an accepted and well-known fact that the efficiency of the staff can be considerably improved by improving the working environment of the rooms/sections where the staff sit. The furniture supplied to various officers and staff was quite old and had a shabby look. Most of the old furniture items have been replaced by new and good looking furniture. Additional requirements of furniture have also been met during the current financial year. Remaining

requirements will be completed during next year.

12.3 Computer facility

One of the major functions of the ASRB is the recruitment of Scientists at various levels through competitive examinations, direct recruitment by selection, etc. In addition to this, the Board also recruits Technical Staff, Administrative Officers, Finance and Accounts Officers and other levels of Administrative Staff including Section Officers and Assistants. The quantum of work that is involved in processing the applications, conducting examinations, arranging interviews, communicating results etc. is very large and has to be done within a specific time frame. It is estimated that the number of applications handled for ARS Examination (which includes the National Eligibility Test and Senior Research Fellowship Examination) and other Administrative examinations alone is about twenty thousand plus per year. Besides this, several thousands applications are received for direct recruitment. This amount of work could not be efficiently handled by manual processing of application and the subsequent processes.

It was, therefore, felt that computerization is unavoidable in the organisation in order to meet the dead line and carry out the functions effectively and efficiently. With this end in view, four PCs. were purchased last year. Ten additional computers with the required peripherals have been added during the year. These are proposed to be networked later through LAN.

The advantage of the networking arrangements will be that peripherals and Software, like printers, application package etc. can be shared by many users. It is also proposed to add two Desk Top Printing Unit (TPT) to facilitate production of professional documents that can be easily reproduced for examinations and other purposes.

The procurement of additional computers and related accessories for the system has already been made which will be put into practice after staff is trained for the job.

The following are the areas in which computerization is proposed to be introduced very soon:

1. Registration and documentation of all applications received.
2. Correspondence with the experts and candidates.
3. Issue of hall tickets and other related documents in connection with the examination.
4. Maintenance of data base of experts.
5. Preparation and maintenance of question bank.
6. Preparation of question papers for the various examinations and getting them in 'Print Ready' form.

The establishment of this facility will not only add to the efficiency but would also ensure confidentiality to the entire operation, which is one of the paramount requirements of the Board. The implementation of these proposals, are constrained due to the non-availability of the appropriately trained technical staff, which, even though provided for and approved by the EFC, has not yet been posted or provided by the Council, inspite of repeated reminders. This has been a set-back in the efficient utilization of the facilities already created at considerable cost.

13. ACKNOWLEDGEMENT

13.1 The Board is grateful to the President, ICAR Society and Director General, ICAR for their support and cooperation in the work of the Board. The Board is also grateful to all the officers of ICAR, Agricultural Universities, Ministries of the Government of India and the State Governments for their whole-hearted cooperation and help.

:14:

13.2 The Board also thanks all the eminent scientists and experts who assisted the Board in making selections/assessments to the various posts, conducting the Agricultural Research Service/NET/SRF Examination-1995, revising and updating the syllabus for the various disciplines and other activities.

13.3 The Board also records its deep appreciation of the services rendered by its staff throughout the period with dedication and devotion.

(M.S. Kaundal)
Secretary, ASRB

APPENDIX - I

OFFICERS OF A.S.R.B. DURING THE PERIOD UNDER REPORT

1. CHAIRMAN : DR. A.L.CHAUDHARY
2. MEMBERS (2) : DR. K.V. RAMAN
DR. KIRTI SINGH
3. SECRETARY : CAPT. R.K. MARWAHA (upto 14.1.96)
SH. M.S. KAUNDAL (From 15.1.96 to
31.3.96)
4. CONTROLLER OF EXAMINATIONS : SH. M.S. KAUNDAL
5. UNDER SECRETARY(R) : SH. DEVI CHAND

Statement showing candidates applied, appeared, qualified appeared in interview and selected for ARS on the basis of ARS Exam-1994.
