D.O.No. CIC/AT/D/10/000111/2

Dated: December 15, 2010

Dear Sir,

**Subject :** 1. Roles of CPIO and Transparency Officer (TO)  
2. Level of Transparency Officer (TO)  
3. Job Chart of Transparency Officer (TO)

**Reference:** D.O.No.CIC/AT/D/10/000111 dated 15.11.2010

Apropos the subject and reference cited, there has been requests for clarification, from some public authorities, regarding the role of the Transparency Officer (T.O.) vis-à-vis the CPIO, and the level of the Transparency Officer.

2. It is clarified that the institution of Transparency Officer is in fact an administrative arrangement for promotion of institutional transparency within the public authority through proactive and effective implementation of the provisions of Section 4 of the RTI Act, 2005. These include effective record management, digitization of records, networking and incremental proactive disclosures.

3. The CPIO and the Appellate Authority, on the other hand, are parts of the RTI-regime and, in that sense, are statutory officers under the RTI Act. Their functions shall be as defined in Sections 7 and 19(1) of the Act respectively.

4. Within the public authority, a CPIO will be free to seek guidance from the Transparency Officer about disclosure-norms — both in its general and specific aspects.

5. The level of Transparency Officer, in any public authority, may vary depending on the availability of personnel of a requisite level. However, to be effective, a Transparency Officer should be of sufficiently high seniority in the organization, having uninterrupted and free access to the head of the public authority. He should also be able to effectively communicate and liaise with Divisional Heads of the public authority.

It is, therefore, desirable that T.O. is either No.2 or No.3 behind the head of the organization, in the official hierarchy.
